## *Superintendent's Message*

Soon you will be leaving Fort Valley High School forever. Some of you will enter college and others will find positions, but you will never be united as you have been for the past twelve years. These years together have made possible your glorious achievements for which you will always be remembered.

I hope your years at Fort Valley High School have been happy and profitable. I trust that throughout your entire lives you will remember and practice the ideals instilled in you by your teachers.

Fort Valley High School has tried to lay the foundation for that which lies ahead for each of you. Remember to keep forever in view the momentous value of life, and to be ready at all times to live neither in the past nor in the future but in the present.

Ernest R. Anderson, *Superintendent*

The Third annual Beauty Revue, sponsored by the FHA, was held in the FVHS auditorium on November 21, 1961. The contestants, elected by the clubs and classes, were judged on talent, poise, and beauty. Personality was also evaluated by the judges when they met the girls at a tea preceding the contest. "Miss Vallihi of 1962," Glendolyn KenKnight, will reign until November, 1962, when she will crown her successor.

# One-Act Play

"Seventeen" Cast

The One-Act Play for 1962 was a condensed version of "Seventeen."

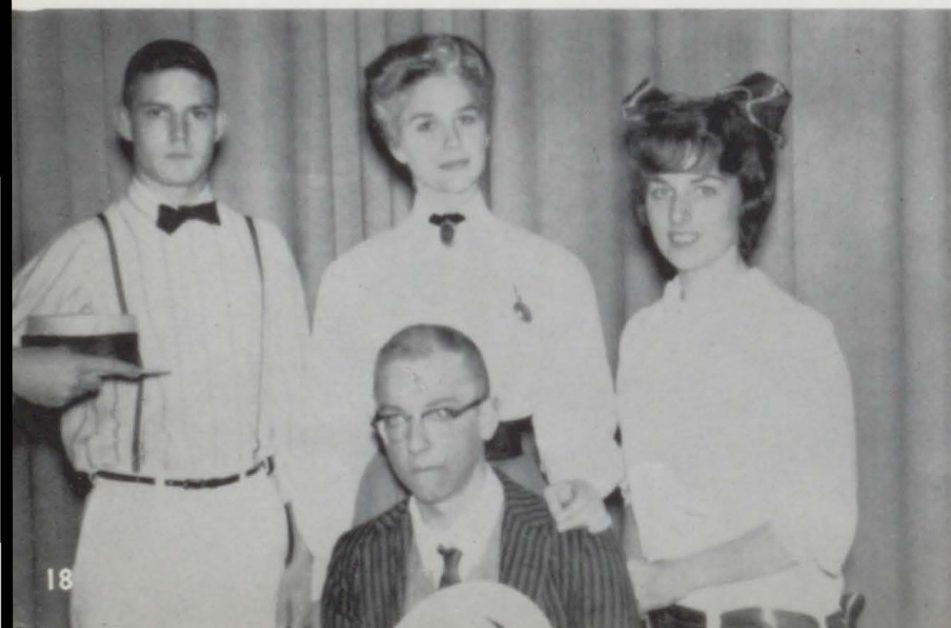

Coached and directed by Miss Norma Boyer, the students faithfully practiced every night for several weeks before the Region competition at Carrollton. Doing a tremendous job in spite of stage difficulties, the play won second place in our region with Warren Wall winning "Best Actor of Region 3-B."

In the State competition at Athens, Georgia, although again plagued with stage and prop difficulties, this great cast went on to prove themselves wonderful troopers and to win second place honors in State.

## 1961 Greenwaves Class B State Champions

Fort Valley High School is extremely proud of this year's football team and the excellent record which they compiled. Blessed with power and a deep desire to win, the FVHS "11" astounded everyone by totaling up 287 points while allowing their opponents only 34 points. This desire to win, combined with good coaching as well as above average team spirit made possible such a rewarding year.

The crowning achievement of this year's team was obtaining the title of "State Champs," due to the outstanding work of all the boys.

We feel sure that this honor has never before fallen to a more worthy group of young men.

## Region 3-B Champions

The 1962 Greenwave Basketball team, defending champions of the State Class B Crown, almost made it two basketball championships in a row this past year. Although hurt by the loss of Pearson early in the season, the Fort Valley "Five" still gave an exceptional showing by defeating 19 of 25 opponents. The climax of the season was a match with the archrival Perry "Panthers" in the State Class B Semi-finals.

## Annual Staff

We of the 1962 *Vallihi* Annual Staff wish to express our sincere pride in having played a small part of such an exciting and rewarding school year. We feel that the value of this year's annual is directly proportional to the amount of excellent material with which we have had to work. Although the tempo of studying increased, we of FVHS have had many broadening experiences to prepare us for maturity. The Annual Staff has attempted to preserve these experiences on the pages of this yearbook. By doing so, we hope to provide material for later reflections as well as creating an interesting and well-rounded chronicle of our Senior's last year at FVHS. We sincerely hope that at least a small part of our pride for our school and for our friends is woven into the pages of this, The 1962 *Vallihi*!

Below—Johnny Walker and Deena Wilson sell copies of *Valley Views* while Ray Pearson shows a copy to Miss Lee.

In its four years of circulation, the *Valley Views* has grown to be an accepted part of FVHS life.

The monthly publication of the school paper is a service project of the Beta Club. Its purpose is to provide students with news of their own making and with articles of special interest.

## *Les Memoires '62*

The world at FVHS always hums with activity. The murmur of busy classes, the bustle of crowded halls, the quietness of the library, and the yells of the physical education classes all blend to give the school a sound of activity and purposeful endeavor.

But soon the day ends, and the only sounds are those of a teacher working late and of the custodians preparing for a new day.

The school is at rest. It may rest, but it never sleeps.

The Cheerleaders perform a yell as the audience relaxed during the basketball game half-time.

Students swarm over the cars, preparing them for the parade before the Blakely game.

Miss Parks does a brisk business selling sweets to the students during lunch.

Glennidolyn does a complicated baton routine as the rest of the majorettes keep step.

A view of the boys' campus

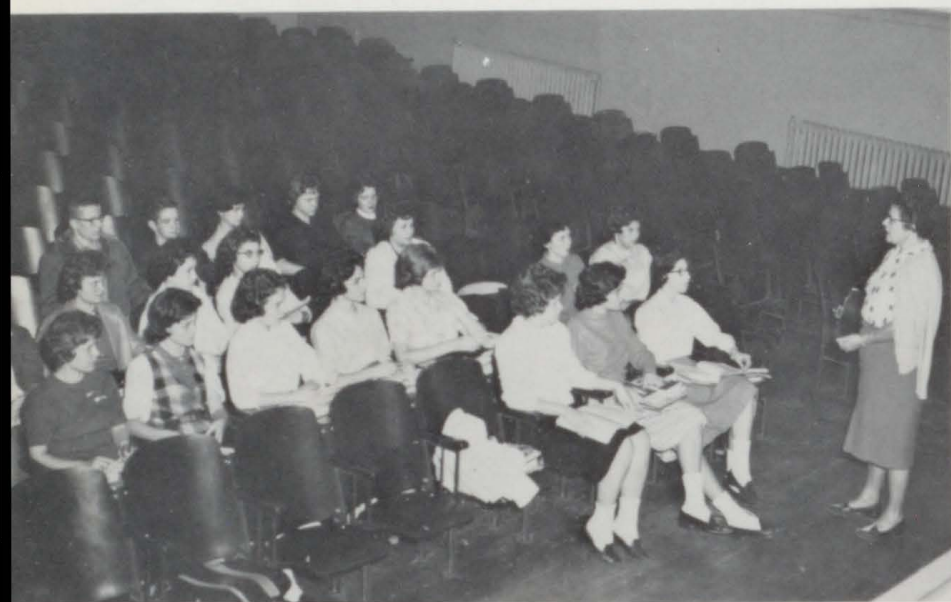

Students take advantage of their only free time during the day to eat, talk, and relax with their friends in the school lunch-room.

The library is usually busy with students doing research work, homework, or casual reading.

Miss Norma Boyer lectures one of her many speech classes.

"Against our city's western border, our school doth stand . . ."

## Guidance

Miss Thelma Wilson—*Guidance Counselor*

FVHS has a part-time counselor, whose services include personal and group conferences with students desiring educational and/or vocational information. Any student in high school, any teacher, or any parent may use any service or materials available in the counseling office—from current college catalogs to special-interest and intellectual tests. The counselor provides time to give any student an interpretation of his scores on standard tests and will assist him in choosing a college and in making applications concerning continued study or employment. A follow-up program is being planned, through which former graduates and one-time students of the school will be contacted with a view to providing more efficient guidance services.

Miss Thelma Wilson discusses plans for the future with Julee Outler, Sandra Hiley, and John Pearson.

In addition to their regular academic duties, the members of the faculty devote their time and energy to helping the clubs, classes, and students of FVHS.

Without their experience and guiding hands, many of our projects and plans would never succeed.

Mr. Sims is surprised as he pauses for lunch after helping in the Senior store.

Our teachers stop in their busy day to eat a bite of lunch.

## Last Will and Testament

The following Seniors of the Class of 1962, being of sound mind and disposing memory, do hereby bequeath . . . A carton of chewing gum to Ann Crutchfield from Kay Hallman. Charles Halley's ability to type to Christine Jones in hopes that both their abilities will be able to get 25 words a minute. Charles Davis leaves one dozen erasers to next year's Senior typers. Linda Colquitt is just leaving, cause after a year like this one, who's got anything worth leaving? Dick Carney leaves his ability to smoke during lunch without getting caught to Butch Cummings. Lydia Britt leaves Miss Lee an answer book so she won't have to depend on her students again next year. David Brann leaves to Miss Tanner, with the sincere hope that she'll enjoy them, the works of Mickey Spillane. Eddie Rogers leaves his '52 Olds to anybody who likes to drag from 60 mph on up. Nim Tharpe leaves a girdle for Mr. McClendon so that he will not have to keep pulling his britches up. Rusty leaves his ability to get along with his teachers and make all A's in deportment to his little brother. Hugh Barr, Roger Nelson, and Johnny Walker leave their football ability to Al Bickley in hopes that Marshallville will have a "superstar" next year. Patricia Borders leaves her singing lessons with Miss Thomas to Lena Shelley. Ruby Bloodworth leaves her can of *Metrecal* to Phyliss W., Patsy W., and Sylvia S. Deena Wilson leaves her ability to try to understand her Aunt Thelma to Dee Burnett. Warren Wall leaves his ability to get out of class to Joe Pearson in hopes that he can cause as much trouble as Warren did. Charles Vinson leaves two Chemistry notebooks to anyone who will buy them for \$5.84. Judy Sullivan leaves to Janet Sullivan the faithful old Ford and hopes she can keep it ticking. Wilson Giles wishes he had more to *take* with him. Bobby McKinney leaves six inches of height to Lance Robitzsch. Ann Lee bequeaths her seat in the Sullivan's car to Gay Gillespie and Cissie Reddick, in hopes they will be able to fill it as well as she did. Charles Klouda leaves Tommy Bridges one pack of cigarettes in hopes he won't have to borrow any more. Sonny Harris leaves to Herby and Matt all his buddies across the track in hopes that they can use them some day soon. Sandra Greer leaves her most prized possession, the book, *THE TECHNIQUE OF FROG GIGGING*, to all students who remain. Tommy Garwood leaves his little brother Johnny Garwood, *THAT* should pay everybody back. Glenda Brown leaves her red hair to Linda Fuller so she can save on rinses. Julee Outler is leaving the long ponytail she had cut off to Jerry Smith because she needs it. Beth Cleveland leaves the "Blue Dragon" to Ann with a note of advice: *Please* don't forget to start pumping those brakes before stopping. Eddie Robinette leaves his little brother one green football jersey.

*All* of the Class of 1962 leave with the hope that the underclassmen who follow them will display a deep sense of school spirit, loyalty, and pride.
